please Idaho power keep the power line from joining thru my families home, business and lifestyle,make a decision to protect the natural habitat and environment of oregon. Most of all protect my grandchildrens heritage . Keep this line from invading their lifestyle. Protect my sons business as a horse trainer and my daughter in-laws business as a photographer . Send it across if you must but please follow the I 84 route . Thank you Jayne Bailey concerned Mother, grandmother, frequent visitor and admiror of Oregons blue ridge mountains.
