Bureau of Land Management and Idaho Power,

The project known as B2H (Boardman to Hemingway) directly affects public and private lands and I do not agree with this motion until further information is provided to the public. I would expect that you redesign your plans with the public in mind, considering families, businesses and other entities that will be directly affected. I do not want you to grant B2H authorization to cross privately owned lands. WE BELIEVE IDAHO POWER HAS OTHER OPTIONS!

Thank you,

Kristen VanRiper-Sayers
