I was born and raised on a cattle ranch in Morrow County for the first 19 years of my life. Cattle ranching was my family's way of life and how we made a living. PLEASE consider the desires and rights of private property owner's before making this decision. Many generations of family's have put years of blood, sweat, and tears to be able to raise their family this way. Please don't make a hasty decision that could undo years of hard work and perseverance. Thank you!

Sincerely,
Lindsey H. Ward
