Letter of Invitation

«Letter_Address» «First» «Last_»
«OrganizationAffiliation»
«Address»
«City_», «State» «Zip»

Dear «Greeting» «Last_»,

Idaho Power would like to thank you for contributing your time and efforts to the Community Advisory Process and working diligently with us to identify proposed and alternate routes for the Boardman to Hemingway Transmission Line.

Over the past several months, community members throughout eastern Oregon and western Idaho have provided us valuable input and worked closely with our technical experts to develop a range of routes that we anticipate can be advanced in the siting process.

All routes that were developed at the public mapping workshops in late 2009 have been revised and completely analyzed using regulatory criteria and input from the communities. At the next Grant County Project Advisory Team meeting, you will have the opportunity to evaluate the range of routes that resulted from this analysis.

The next Grant County Project Advisory Team meeting will be held:

Tuesday, March 2, 2010
4:00 – 9:00 p.m.
Canyon City Community Hall
131 S. Washington
Canyon City, OR 97820

We hope you will take time to join us. You are welcome to call me with questions or concerns. We will call to confirm with you within the next week.

Sincerely,

Kent D. McCarthy
